

Cheadle Primary Cook Book cover competition!

Here at Cheadle Primary we all love cooking! Some of the money raised by the PTA through last year's events is going to be spent on a new cooker for the staff room and more utensils and cooking equipment for the whole school to enjoy.

This year we are going to publish a Cheadle Primary School Cook Book! It will feature favourite recipes from children, staff and parents and have art work from children of all ages within the school.

First of all though we would like you to design a front cover! The winning design will be printed on the finished cookbook.

Here's some tips:

- Make your design bright and colourful
- Remember it's a cookbook so perhaps draw some of your favourite foods? Or somebody cooking?
- Have fun!

Your front cover drawing must be handed in to your registration teacher by **Tuesday 2 November** (just after half term). Please put your name and class on the BACK of your drawing.

If you have a favourite family recipe that you enjoy cooking either by yourself or with your parents then please email it to pta@cheadleprimaryschool.co.uk by 2 November – please put as full instructions as possible in your recipe!

We will keep you posted when the Cook Book is ready to buy!
