"We aim to be outstanding in all we do"

Dear Parents and Carers,

We are delighted to tell you about our Year 5 and Year 6 Educational Visit this year will be on the 21st June 2018 to the National Trust's 'Lyme Park'. In the Summer Term we will be focusing on our Geographical skills and Lyme is a fantastic venue for learners and we will endeavour to bring the curriculum to life as well as provide a truly memorable day out. The activities we are planning on participating in are;

Map skills

Introduction to the concept of maps, symbols and grid references. Includes a challenge to draw your own map and a walk up to the Cage to practise compass skills.

Den building

Working together in groups to build dens from natural materials. This is a fun and hands-on session where children can learn about habitats, design and construction whilst getting creative.

We know that weather may be an issue but we are planning to go 'rain or shine' so please make sure that your child is dressed appropriately on the day.

Further details, about clothing, packed lunch etc. will follow.

The voluntary contribution per child for this visit is £ 15.35 which may be paid in installments via Parent Pay. (Please note, if we do not receive enough voluntary contributions the visit may have to be cancelled)

Please could you update any medical information below. Lastly, we will need parent volunteers so please let us know if you are able to join us by completing that section on the permission slip. We will let you know nearer the time if we still need your help.

Thank you

Miss Weate, Miss Roberts and Mrs Evans

I give permission for _____ to attend Lyme Park
on
21st June 2018.

Current medical conditions are:-

I _____ (Print Name) would like to be a
parent helper for 'Lyme Park'

Signed
Parent/Carer _____
