

# Cheadle Primary School News!

Dear Parents and Carers,

April 2016

We have come to the end of a very busy term!

## Changes!

We have received many positive comments about the new report format which we have introduced for Key Stages 1 and 2. We will be creating a similar format for EYFS. You also gave us some lovely general feedback about the changes that we are making in school this year. Your comments are greatly appreciated by us all and they show us that you like what we are doing! Thank you!

## Visits and Visitors

Nursery and Reception visited Stockley Farm where they had a great time feeding lambs, kids and chicks. One lucky group even got to see a newborn calf who was 8 minutes old!

Key Stage 1 took part in a very informative and successful Aboriginal workshop which the children really enjoyed. They learnt about Aboriginal culture, art and music. They also learnt about boomerangs and how they were used for hunting!

## Sports Relief!

The children enjoyed skipping and hoola hooping to raise money for Sports Relief.

Thank you for all your donations!

## World Book Day

World Book Day was a huge success! The costumes were fabulous and everyone had a great time! The children were an absolute credit to us all and, despite their huge excitement, they maintained a perfect attitude towards their learning throughout the day! Well done!

## Easter Bonnet Parade

As usual, this was a lovely event. A great effort was made by all and the children walked along the catwalk with great style and confidence!

## Decorated Egg Competition

Yet again, we were amazed by the extremely high standard of the entries and I was greatly relieved that it was Mr. Tomlinson, one of our Governors who had the very difficult job of choosing the winners! He commented that judging was nearly impossible. He was very impressed with the creations and said that they were the best that we've ever had! Well done to everyone who took part!

## Operation Eagle Eye

At the public meeting held in Cheadle regarding parking in the area, we expressed our concerns about the safety of our children due to the traffic on Ashfield Road. As a result of this, Stockport Council offered us another opportunity for our children to work with Operation Eagle Eye. We are sure that you will have seen them outside school this week. Different year groups have been learning about road safety, stopping distances and hazards to drivers and pedestrians. Also, since the meeting, traffic enforcement officers seem to have been regularly patrolling the area around Ashfield Road and Ashfield Crescent which is great.

## The Queen's 90th Birthday—Thursday 21st April!

We are going to celebrate the Queen's 90th birthday with an afternoon tea party and lots of fun! We would like the children to come to school dressed in red, white and blue clothes. You don't need to go out and buy anything special! The children will learn all about the Queen and compare her role and place in history with another monarch. They will also learn about how she has contributed towards national and international achievements.

We hope that you have a lovely two week holiday!

With very best wishes from Miss Leech and all the staff at Cheadle Primary School.
