## POLICY FOR COLLECTIVE WORSHIP

The law requires all schools to provide a daily collective act of worship that is wholly or mainly of a broadly Christian nature for most of the time. At Cheadle Primary School, we will meet the requirements in full. Where parents request it, their child will be withdrawn from the collective worship and alternative arrangements made for them.

2. Collective worship will contribute to the spiritual development of the pupils.
3. A variety of different opportunities will be used to meet our statutory duty.
4. Strong links will be made between spiritual, moral, social and cultural education and religious education.
5. Worship will help children understand and experience the meaning of great religious festivals.

6. On special occasions worship will be linked to religious festivals e.g. Christmas and Easter.
7. On some occasions the school may invite outside speakers to contribute to collective worship.
8. Where parents exercise their right to request that their child does not attend collective worship, alternative arrangements will be made for them. The rights of staff to withdraw from collective worship will be recognized.
